Year-Round HVAC Maintenance Made Simple

The 4-in-1 solution for apartments & hotels that need to Minimize Downtime and Maximize Reliability.

Four Products, long lasting Clean

InstaCleanCIP

Professional Strength- ready to mix coil cleaner. Removes grease, grime, hair, dander, and debris from all types of coils.
Available in: 6 or 12 packs.

First Strike Micro Coat

Repels dirt, grime, and airborne particles that normally stick to coils, increasing efficiency, and reducing call backs.
Available in: 16oz, Quart, and Gallon sizes

Coil Shield

Extends the lifespan of condenser coils by shielding them from coastal salt spray, acidic rain, ice buildup, and mineral scale.
Available in: 16oz, Quart, and Gallon sizes

PanGuard

Delivers a steady release of cleaning agents for up to six months, that prevents clogging and costly overflows.
Available in: multiple sizes to fit any system

Why Maintenance Teams Love it

Annual treatments save time.

Safe for all coil types

Reduces call backs and guest complaints

Works for PTAC, mini-splits, central air, and all HVAC systems.
